The art and science  
of asking questions  
is the source of all  
knowledge.

Thomas Berger

BrainyQuote®

The scientist is not a person  
who gives the right answers,  
he's one who asks the right  
questions.

~Claude Lévi-Strauss

**The goal of teaching should not be to help the students learn how to memorize and spit out information under academic pressure.**

**The purpose of teaching is to inspire the desire for learning in them and make them able to think, understand, and question.**
